Introduction/Review:

2.20.11

- **The Parable of the Ten Virgins** (vv. 1-13), teaches the importance of being ready for Christ's return, and **The Parable of the Talents** (vv. 14-30), teaches what readiness means.

Biblical stewardship is the use of God-given resources for the accomplishment of God-given goals and objectives.

I. God's Role Is All About Ownership (25:14-15)

"When it comes to the matter of biblical stewardship, this is the number one issue of all, and until this issue is settled, we are always going to be in constant conflict with God about what we do with what He has entrusted to us!"

- A. **He has given us everything that we have** (v. 15a)
- B. **He has given us exactly what we can handle** (v. 15b)

- *The issue is not how much God has entrusted to us but what we are doing with what He has entrusted to us!*
