God's Truthfulness

Pt 1

God is truthful in that He alone is the One True God, and His words and His ways are truthful making Him both the **definition** and **standard** for what is true.

Pt. 1a

The truthfulness of God does not depend upon our **acknowledgment** or **endorsement**.

(Jer 10:10-11; Num 23:19; Titus 1:2; Heb 6:18; Jn 14:6, 17:17; 2Tim 3:16; Rom 1:18-23; Ps 119:60)

God's Wisdom

Pt. 2

God is perfectly wise in that He **always** chooses the best goals and the best **means** to those goals.

Pt. 2.a

While we may not always **perceive** God's ways as wise, we must be willing to **concede** to His perfect perspective.

(Ps 19; 104; 1Cor 1&2; Job 9:4, 12:13; Rom 11:33, 16:27, 8:28; Is 55:8-9)

God's Truthfulness and Wisdom

Pt. 3

In wisdom, truth finds its **application**. In truth, wisdom finds its **foundation**.

(Prov 9:10, 1:7; Ps 111:10; Is 6:1-5)
